

Adopt-A-Chair

After lots of hard work we finally have permanent comfortable chairs. However, the Albright needs your help. We are running an adopt-a-chair program to help cover the costs of these new plush digs. For a **\$75.00 donation** you will get a name plaque on a chair letting all those who enjoy the Albright know that you care. You will also receive recognition in our programs. If you are interested in adopting a chair please fill out the form below and turn it in to an usher with a check, or mail to:

The Albright Theatre Company, Inc.

P.O Box 61

Batavia, IL 60510

Please note that adopting a chair does not mean that it is yours, as much as you would like to, you can not take it home with you, you can not decorate it, and you will not be guaranteed seating in the seat with your name plaque!!
